Interdisciplinary Water Resources Seminar

Fall 2019
Transboundary Aquifer and River Governance
Mondays, 4 - 5 PM | Wagar 232 | CRN 74006

The purpose of this seminar is to prepare students for careers in water resources by exposing them to the various topics of Colorado water law. The Fall 2019 series will explore interstate water governance and how state and national laws impact Western water management.

Students interested in taking the one-credit seminar should sign up for GRAD592, Water Resources Seminar, CRN 74006. Students who have enrolled in GRAD592 in the past may also enroll for this offering.
