WHO I AM

CSU WATER SUSTAINABILITY

Fellows Program

*Learn about
intractable water
sustainability
challenges specific to
areas in the Western
US*

*Determine
ways to become an
active voice but also
influence others to
participate in crafting
solutions*

*Interact with
professionals within
the water industry*

SACHAMAMA 2016

NATIONAL WESTERN CENTER YOUTH WATER PROJECT 2017

- 5 CSU students and 6 High school students from Globeville, Elyria-Swansea Community
- The Project provided:
 - Water-related activities
 - College Representatives
 - Professionals in the water industry
 - Community resources

WHAT WE DID
