

Look What We Are Accomplishing!

November 14, 2014

THREE MAJOR INITIATIVES

- Forum
- Flows
- Funding

- Poudre River Forum 2014
- Poudre River Forum 2015
- Perspectives on the Poudre and World Café—with Center for Collaborative Conservation
- Animated History of the Poudre River with Poudre Heritage Alliance

FLOWS

- Flows Initiative Group,
working with:
 - Colorado Water Trust
 - Colorado Division of
Water Resources
 - Colorado Water
Conservation Board

FLOWS

- Gage the River, CFS signage on two Poudre bridges to educate about flow fluctuation. Working with:
 - Northern Water
 - New Cache Irrigating Company
 - Water and Earth Technologies
 - Flywater
 - Poudre Heritage Alliance
 - City of Fort Collins
 - Town of Windsor
 - Larimer County

FLOWS

- Ditch Company Diversion Improvements --to eliminate structures that block passage in the river which will hopefully improve wildlife habitat.
Working with:
 - Colorado Parks and Wildlife
 - Two ditch companies
 - Town of Windsor
 - Larimer County
 - Northern Water

- Regional funding initiative?
- Build on efforts already in place?
- Working River/Healthy River Focus?
