

An aerial photograph of a river landscape. A large white oval with a soft shadow is centered in the upper half of the image, containing the title text. The background shows a river winding through a landscape with green fields, trees, and some urban development. A highway is visible on the left side of the image.

River Health: Themes Across a Landscape

Jen Shanahan
City of Fort Collins

River Health

Clean water

Takes care of itself

Provides for people

Still around for our kids

Thriving plants and animals

Resilient Watershed = Resilient Community

The Poudre River serves as an
index of watershed health
