- Hard hats and safety vests will be provided. Please wear closed toe shoes. Cars can remain parked at the Innosphere while we walk down to the River
- 10:45 Poudre River Whitewater Park: history, overview, Poudre River Downtown Master Plan, healthy/working river aspects, next steps, and Q&A
Matt Day, Senior Landscape Architect with the City of Fort Collins
John Stokes, Director of Natural Areas, City of Fort Collins
- 11:45 Return to Innosphere, South Conference Room
- 12:00 Lunch and brief PRTI business Meeting
- New PRTI Membership
We discussed inviting new members to broaden the perspectives of the group. Invitations will be extended to potential members.
 - 2019-2020 PRTI sessions
The group agreed to move to monthly meetings on Fridays over the noon hour. Meetings in September and May will be longer to allow for time outside in the watershed.
 - THANK YOU MaryLou for your contributions to PRTI and the Poudre River!
Congratulations on your hard-earned retirement!
- 1:00 Adjourn
