

## PRTI MEETING AGENDA

Phase 9 | 2020-2021

Friday, November 20, 2020

8:00 AM – 10:30 AM

8:00—8:15

### Setting the Stage for the Day and Looking Forward

- Welcome new PRTI members
  - **Jeff Spohn**, Senior Aquatic Biologist for the Poudre and South Platte basins, Colorado Parks and Wildlife -- Ken Kehmeier
  - **Donnie Dustin**, Water Resources Manager, City of Fort Collins
- Proposed shared facilitation role and transition -- Reagan Waskom  
*With Reagan's upcoming retirement, the PRTI Steering Committee is recommending a shared facilitation role with Heather Knight and the Center for Collaborative Conservation at CSU.*

8:15—9:15

### What's Happening on the Poudre?

Participant round robin updates. If you are leading a PRTI initiative, please plan to provide a status update during this time.

#### PRTI Initiatives Reports

- Poudre Basin Information website – Steve Malers
- Poudre Flows Coordination Committee – Brad Wind
- Poudre River Forum – Jen Kovacs
- Poudre Flows Initiative – Dan Brown
- Diversion Improvements – Wade Willis

9:15—9:45

### Recap of 2020 Water Year and Climate Outlook

**Russ Schumacher**, *State Climatologist, Colorado Climate Center*

9:45—10:25

### City of Fort Collins Water Supply Vulnerability Study

**Megan Smith**, *Water Resources Engineer, City of Fort Collins Utilities*

10:25—10:30

### Closing and Adjourn

- Suggestions for speakers and topics for 2021  
*The group discussed topics for future meetings. Suggestions included:*
  - *CSU/USFS researchers working on Cameron Peak Fire*
  - *Greeley's Terry Ranch ASR project as an alternative plan to expanding Seaman Reservoir*
  - *USFWS and local teams' efforts for Preble's recovery on the North Fork of the Poudre*
- Next session Friday, January 8, 2021
