COVID-19 SAFETY GUIDELINES

- We will not require proof of vaccine unless required by CSU or local health authorities. We will operate on the honor system and recommend that those not fully vaccinated wear a mask while indoors.
- Plan to bring a face covering to all sessions and field tours as they may be required based on local health guidance and/or the preference of our speakers and guests. Regardless of the local mask rules, we recommend that anyone with health concerns wear a face covering while indoors.
- Service of all meals and snacks will follow local health guidance.
- We will adjust programming as needed depending on the status of the pandemic and local health guidance (for example, moving sessions to a virtual format).
